VISHWA DHARMA KI JAI

## MEANING

We bow to the Goddess Mother Earth,  
who is the abode of bounteous blessings,  
the fulfiller of all needs and the ultimate  
refuge of all beings.

Our Obeisance to the Almighty, who is the  
manifestion of truth, knowledge and bliss  
and the only source of universal (Vishwa)  
wellbeing and righteousness (Dharma)

O Lord as we organize ourselves & stand  
invincible to establish one Universal Dharma,  
kindly bestow upon us your auspicious blessings  
so that we can accomplish that noble mission.

Grant us, O Lord of the universe, the invincible  
inner strength and virtuous character which all  
humanity adores and the knowledge to enlighten  
the path leading onto our mission.

Let our hearts be always stimulated with  
the spirit of a solemn vow and determination  
worthy of heroes, which will lead us to attain  
worldly prosperity with spiritual enhancement.

O Lord, give us the resolute faith in our  
aim as we work for the unity of us Hindus  
and to establish world peace through  
propagation of Universal Dharma.

With your blessings O Lord, let this  
triumphant Sangh strength, abiding to  
protect the principle of righteousness  
(Dharma), attain the supreme eternal glory.

In pursuit of the welfare of mankind  
which indeed is thy holy cause and inspired  
by the noble virtues of service and sacrifice,  
let my being O Lord, be offered at your feet.

VICTORY TO VISHWA DHARMA

Then and then alone,  
You are a Hindu,  
when the very name,  
sends through You,  
a Galvanic Shock of Strength.

# SANGH GEET

## **SANGH GEET – An Introduction**

*'A Geet says a thousand words'*

*Geets play a vital role in instilling sanskars in swayamsevaks. The sweet and melodious geet brings about a serene atmosphere and thus elevates the listeners to the spiritual level.*

*"Sangh Geet" is a grand collection of Choruses & Geets sung over the past so many years in Sangh Shakhas, Vargs & Shibirs and other occasions.*

*The Geets in this collection comprise Salutations to Mother Earth, Salutations to Paramaatmaa, Salutations to the Vishwa Guru – Bhagwa Dhwaj, Archanaas, Geets for Utsavs, Baal Geets, Sanchalan Geets, 'Dhyeya Chintan' Geets, ...etc.*

*These Geets have been created by various poets whom we would like to thank from the bottom of our hearts.*

*It is hoped that this book inspires the swayamsevaks to spread the message of Sangh throughout the world.*

*We know that the exact pronunciation of Hindi/Sanskrit alphabets cannot be achieved by Roman alphabets. This book is specialy for those who cannot read Devanaagari alphabets, but who are nevertheless enchanted by singing these geets.*

*This book is dedicated to P P Shree Guruji and is being published on the auspicious occasion of His Birth Centenary Celebrations.*
